This Applicant Interview Summary is filed in response to the Interview conducted with the Examiner in the above-identified case in accordance with 37 CFR 1.133 and MPEP 713.04.

The time and date of the interview was 3:00 PM on January 17, 2007. The participants in the interview were Philip Lee (Examiner) and Brent Vecchia (Representative). The interview was telephonic. The Examiner phoned Representative. No exhibit was shown or demonstration conducted.

The claims discussed were an amended version of claim 1 provided by the Examiner. The Examiner said that the amended claim 1 would be allowable. The claim 1 provided by the

Examiner added "*wherein the one or more diagnostic procedures is selected by the diagnostic server based on hardware version associated with the diagnostic agent process transmitted by the diagnostic agent process to the diagnostic server*". Representative asked Examiner if it would be possible to rearrange this into something like "*transmitting a hardware version associated with the diagnostic agent process from the diagnostic agent process to a diagnostic server*" and "*wherein the one or more diagnostic procedures are selected based in part on the hardware version*". The Examiner said that this looked acceptable. No specific prior art was discussed.

The general result or outcome of the interview was that Representative agreed to email Examiner an amended set of claims that made similar amendments as agreed upon in claim 1 to the other independent claims and to make any necessary amendments to the dependent claims on January 18, 2007. The Examiner agreed to review these claims and assuming they were sufficient to issue an Examiner's amendment making these claim amendments and allowing all claims in the case. Representative asked the Examiner to do this before January 24, 2007 and the Examiner agreed and said he hoped to get it out on Friday January 19, 2007.

No fee is believed to be due. However, please charge any needed extension of time or other needed fees to our Deposit Account No. 02-2666.
